

Enroll in LifeLock Identity Theft Protection

In today's world of online shopping, using public Wi-Fi and giving out Social Security numbers as a form of ID, our personal information can be exposed. Unfortunately, free credit monitoring simply alerts you to credit issues. LifeLock not only has proprietary technology to detect a variety of identity threats, if you do have an identity theft problem, our U.S.-based team of Identity Restoration Specialists can help fix it. It pays to have the comprehensive protection of LifeLock.

HOW TO ENROLL

- Enrollment for LifeLock Identity Theft Protection is available at any time. Go to www.trinityhealthplusbenefits.com to enroll! Under Identity Theft Protection on the navigation bar on the left.
- Provide the name, Social Security number, date of birth, address, email and phone number for you and each dependent you wish to enroll.
- Your LifeLock coverage will begin upon your benefit effective date.
- You will receive a welcome email and a welcome kit by mail from LifeLock with instructions on how to take full advantage of your LifeLock membership.
