

Critical Illness

Receive a Benefit if You are Diagnosed With a Serious Illness

A Critical Illness and Cancer Plan:

- Pays a lump sum benefit directly to you, unless otherwise designated
- Provides a benefit that can be used as you wish
- Pays in addition to any other coverage you may have
- Can cover you, your spouse and your children

According to the American Heart Association,

approximately every 40 seconds an American will have a heart attack. The estimated annual incidence of heart attacks in the United States is 720,000 new attacks and 335,000 recurrent attacks.

Additional Included Benefits

Benefit Recurrence	Provides an additional benefit for the same condition (based on a covered list of conditions) if a covered participant is treatment-free for at least 12 consecutive months; available once per covered condition in the insured's lifetime. (Not eligible for Recurrence: Permanent Paralysis, Occupational HIV/Hepatitis, Loss of Speech/Hearing/Sight, End Stage Renal Disease.
Additional Occurrence Benefit	Once benefits have been paid for a Critical Illness, a benefit is paid for an additional different Critical Illness when; 1) the Date of Diagnosis for the new Critical Illness is separated from the prior Critical Illness by at least six (6) consecutive months, and 2) the new Critical Illness is not caused by a Critical Illness for which benefits have been paid, and 3) a benefit is not paid for more than one Critical Illness with in a six (6) month period.
Portability	Portable on a direct-bill basis after six months of continuous coverage if group master policy remains in force and the insured is less than age 70, not Totally Disabled, and no longer Actively at work for the Employer.
Waiver of Premium	This waives an Employee's premium if he or she becomes totally disabled for at least 180 days after the effective date of coverage. Total Disability must start while policy is in force, for employees ages 18-55.

Pre-existing condition limitation is waived on initial eligibility.

85.7 million American adults have high blood pressure.
