Approximately 15 million Americans have their identity stolen every year

Aura DigitalGuard Complete

Today we use websites, devices, and apps to do nearly everything. While convenient, this connectivity can make you a prime target for scams, cybercriminals, and online predators. That's where Aura comes in. Aura is a **digital safety app** that protects the things you care about most – your finances, identity, and tech – from online threats. The DigitalGuard Complete Plan provides comprehensive protection, plus \$5M in ID theft insurance, 24/7 support, and White Glove Fraud Remediation to help if you are a victim of fraud. Your plan provides complete digital protection all in one app that:

- Monitors your financial accounts and credit profile with all three credit bureaus and alerts you in near real-time if fraud is detected, with the option to instantly lock your credit
- Keeps your online accounts, passwords, and identity secure
- Removes your personal information from online sites that can sell it to ID thieves and scammers
- Secures your internet connections and online activity across unlimited devices
- Monitors social media accounts and flags privacy and reputation risks
- Stores and protects your important digital assets and passwords securely
