

If you have an accident, will it hurt your bank account too?

Unum's accident insurance gives you something to fall back on.

Life can take a tumble.

With a full-time job and three active kids, Marsha has a lot of demands on her time — and her pocketbook. So if her kids break something other than a window, she doesn't want an injury to break her bank account as well.

Benefits that pay for covered accidents while you are on the road to recovery

Unum's coverage provides a lump sum benefit based on the type of injury (or covered incident) you sustain or the type of treatment you need.

Examples of covered injuries include:

- broken bones
- burns

- cuts repaired by stitches
- coma due to a covered injury
- eye injuries
- ruptured discs
- concussion

Some covered expenses include:

- emergency room treatment
- outpatient surgery facility
- doctor's office visit
- hospitalization
- occupational therapy
- speech therapy
- chiropractic visit
- physical therapy

See the schedule of benefits for a full list of covered injuries and expenses.

Who's at risk?

- Every 10 minutes almost 740 people will suffer disabling injuries in the United States.¹
- About two-thirds of disabling injuries suffered by American workers are not work-related, and therefore not covered by workers' compensation.²

How to apply

To learn more, watch for information from your employer.

Get the coverage you need.

Choose the coverage that’s right for you. Your accident insurance plan can provide benefits for covered accidents that occur on and off the job. Accident insurance is offered to all eligible employees who are actively at work. You decide if it’s right for you and your family.

The following benefit is automatically included in your plan:

Catastrophic Benefit

This pays an additional sum if a covered individual has a serious injury — such as loss of sight, hearing or a limb — before age 65.

Four reasons to buy this coverage at work:

- 1. No health questions to answer. If you apply, you automatically receive this base plan.
- 2. This plan is portable. You may take the coverage with you if you leave the company or retire without having to answer new health questions. Unum will bill you directly for the same premium amount.
- 3. Coverage becomes effective on the first day of the month in which payroll deductions begin.
- 4. Premiums are conveniently deducted from your paycheck.

Sickness Hospital Confinement Benefit

Depending on your plan, your employer may have chosen to include this benefit — or you may have the option to select it. This option pays the insured employee, spouse or children a daily benefit if he or she is in the hospital for a covered illness. Based on the plan your employer selects, the amount you receive can be \$100, \$200 or \$300 per day. Children’s coverage pays 75% of the employee amount.

This benefit is available to family members who are covered by the base plan. There is an additional charge for this feature.
